& POSTNESHIN JELALEDNIN LORAS.

## POSTNESHIN JELALEDNIN LORAS

The great tradition of the Whirling Dervish, founded by the poet and mystic Mevlana Jelaluddin Rumi continues under the direction of Jaleleddin Loras, head of the Mevlevi Order of America. The Turkish successor of the twentieth century Sufi saint, Suleyman Hayati Dede,

Postneshin Loras lives the path of Mevlevi, the Whirling Dervish. In the West, we may know and love the poetry of Rumi, without understanding the underlying foundation of Beauty and Truth that is the root of this poetry.

Enlightening students to this way is the life work of Jaleleddin Loras. Training students in Sema and guiding seekers to the root of the tradition and lineage of RUMI, Loras nourishes the unfoldment of Beauty and Love on this path, making it relevant and accessible to those in the West. This Love is a doorway to the experience and understanding of our nature, both the seen and the unseen. Come and experience the way of Rumi with a living treasure effaced in this noble tradition. If you want to understand Rumi, you want to study with Postneshin Jaleleddin Loras.

Join Us!

*Join the caravan of Lovers for a time of inspiration, healing and retreat. It is with great joy that we offer this annual summer intensive open to all!*

*If you love the great whirling dance, if you love the poetry of RUMI, if you love dervish companionship, join us as we spiral in unity to the music of the Heart.*

*"Something makes boredom and hurt disappear. Someone fills the cup in front of us. We taste only sacredness."  
~ Rumi*
