These classes emphasize clearing the heart in order to become a channel  
between essence and embodiment in the whirling prayer practice.

Postneshin Loras brings this teaching direct from the inspired lineage of

**Mevlana Jelaluddin Rumi**

including the Sema Ceremony, Sohbet (sacred discourse) and Zikr Allah.

**Our turn classes include:** poetry, wazifas (chanting), the techniques of the  
turn and the symbolism of the practice.
