

The secrets of eternity  
Are beyond us

And these puzzling words  
We cannot understand.

Our words and actions  
Take place on this side  
Of the veil.

O Soul!  
When the veil is gone,  
We are gone.

--- Jelaluddin Rumi

## Portland Oregon Turn Class

We gather twice monthly for the traditional practices of the Mevlevi Sufi Order, the Whirling Dervishes, which originated with the Sufi mystic, Mevlana Jelaluddin Rumi.

Usually on 2<sup>nd</sup> and 4<sup>th</sup> Sunday afternoons from 4 -6 pm, we gather in SW Portland, 318 SW Palatine Hill Rd (corner of Boones Ferry Rd.). \$10 donation. Starting 2/23/14

Come prepared for movement and attunement to our Inner Unity. Bring water and socks to slide. We explore Rumi's teachings and open to grace to lift the veils.

If you are new to the practice or out of touch, please contact Kalama to express interest. Classes build over the year, new students are especially welcome. 971-998-7908
